1. Acne Rosacea can be healed! Today 1 out of 20 American adults may suffer from it, but help is available. The Miracle Healing Center is the world's leader in natural medicine therapy of Acne Rosacea.

2. Acne Rosacea can badly affect with your life, your job, and your self-confidence. Acne Rosacea is an adult skin disorder which usually gets worse over time if **it** is untreated. The first sign of Acne Rosacea may be as simple as a redness of the face that looks like a **blush** or sunburn. Without early treatment, the condition may develop into acne-like pimples and thin red lines as a result of blood vessels growing larger. As Acne Rosacea worsens, the nose may become swollen (larger), red, and disfigured.

3. Do you suffer from Acne Rosacea, Red Face or Red Nose? Then we have Good News! **It** doesn't matter how long you have had Acne or Acne Rosacea, don't lose hope! Wouldn't you like to have a clean, smooth and beautiful face in about 90 days?

4. Before you take any prescription drugs from a doctor, its time to try the most powerful, effective Chinese Herbal Doctor's Remedies! You don't need a doctor's prescription; there are no side effects, and soon you'll see the wonderful, **remarkable** results! We can provide you with different remedies based on our research and according to your individual needs.

5. We can help you to achieve a 100% clear face in a short time. Chinese herbal remedies have a history of 5000 years of safety and effectiveness. We have treated over 6000 cases of Acne Rosacea patients, from mild and medium to severe cases. The total success rate is over 90 %. Success depends on how serious your condition is, and treatment time, and individual responses. Don't take prescription drugs such as Tetracycline and Minocin for treatment of Acne Rosacea. You may have to continue to take them all your life without true healing. And the drug side effects might damage your delicate body system.
